September 24, 2007

Dear Client:

I regret to inform you of the recent passing of Tom Vaughan. I have been appointed as the personal representative of Tom's Estate.

Without Tom's wisdom and expertise to oversee Vaughan Surveys, we have determined that it is no longer feasible for Vaughan Surveys, Inc. to continue. Vaughan Surveys, Inc. will be closing the business on Friday, September 28, 2007.

The staff at Vaughan Surveys are currently reviewing all active projects and working diligently to complete any projects that are substantially complete and to wind up phases that are in mid-stream.

Bryce Dilger and Mark Molini of Vaughan Surveys have individually determined to continue providing land surveying professional services to the community under their own names respectively. For those of you who have worked with Bryce or Mark, it may be in your best interest to continue working with them in the future.

Please return this letter indicating whether you desire a copy of your file to be forwarded to Bryce, Mark or other surveying professional. Nominal reproduction charges may apply.
